Please be informed that the Company relinquished its 14.063% participating interest in SC 6 Block B approval of which was granted by the Department of Energy on 30 October 2018. The Company believes that the remaining prospects in the block are either uneconomic or high risk and, therefore, do not warrant further investments.

However, the Company retained its 2.475% carried interest in the block (a non-paying interest comparable to a royalty that shares in any production revenues) to ensure that the Company would still benefit in the event of any commercial oil production in the area.

Very truly yours,
