PSE Disclosure Form 4-30 - Material Information/Transactions
References: SRC Rule 17 (SEC Form 17-C) and
Sections 4.1 and 4.4 of the Revised Disclosure Rules

Subject of the Disclosure

Approval of 18-month extension to drill under Service Contract No. 55 ("SC 55")

Background/Description of the Disclosure

In a letter dated 1 December 2023, the Department of Energy ("DOE") granted the request of the Company's subsidiary, Palawan55 Exploration and Production Corporation ("Palawan55") to extend the deadline to drill a well under SC 55 by a period of 18 months.

Pursuant to Section 26.01 of SC 55, the DOE had earlier found basis to place SC 55 under Force Majeure from 6 December 2022 until such time that a clearance to proceed with exploration activities in the West Philippine Sea has been issued by the National Government.

The DOE letter further states that "(g)iven that SC 55 is currently still on force majeure, Palawan55 shall have a total of twenty-three (23) months (the five [5] months remaining plus the 18-month extension) from the lifting of force majeure to drill the committed well."

Other Relevant Information

This disclosure is related to Disclosure No. C05033-2023 dated 27 June 2023.
